Continuation of Substance of Interview including description of the general nature of what was discussed: Applicants representative (Susan Mizer) was contacted regarding claims 22, 24 and 41. Specifically, Applicants were informed that claim 22 contained the recitation "Claim Claim 22" and claim 41 contained the recitation "the construct" apparently referring to the construct of claim 22. Applicants were informed that one of the recited "claims" should be removed from claim 24 and that either claim 22 or claim 41 should be amended such that there was proper antecedent basis for the recitation "the construct" in claim 41. Applicants were asked to allow the Examiner to amend the claim as indicated in the Examiner's amendment in order to expedite the issuance of the Notice of Allowability. Applicants representative (Susan Mizer) approved the Examiner's amendment..
